Re: Exhibition of Quilts & other Items, the Design of which may be subject to Copyright

The Society hereby is informing competitors wishing to display an item for competition of the following:

1. A competitor may create an item from a design pattern that she/he purchased for her/his personal use/enjoyment
2. A competitor cannot display her/his item made using the purchased design pattern in a public facility or exhibition without the permission of the owner of the design pattern.

It is therefore the responsibility of the competitor to obtain this permission from the owner of the design pattern.

3. The competitor will properly credit the design to the owner. This information should be indicated on this form and on a card attached to the item.

Please return this form with your entry form.

4. **Regarding Price Money:** This is a matter of negotiation between the design owner and the competitor. It is the responsibility of the competitor to negotiate this at the time of the competitor is seeking the designer's permission for the use of said design.

5. Copyright-free traditional patterns (i.e. log cabin, churn dash etc.) are not subject to this policy. Simplicity, McCall's etc. have given blanket permission to use their clothing patterns. If possible, please indicate on the entry tag the company name.

Thank you for your co-operation!
