*Learning from the Past, Living in the Present, Preparing for the Future*

### **Dear Friends, Neighbours, and Supporters,**

As we look ahead to the 2026 Chesterville Fair, it is clear that our strength comes from the incredible community behind it. Not just during fair weekend, but throughout the year, our volunteers, sponsors, and supporters are what bring this event to life.

Last year's Fair was a tremendous success, and we extend our sincere thanks to everyone who contributed their time, energy, and support. Your impact is seen in every detail, from the grandstand to the midway, and in the lasting memories created for families across our community.

As we build toward 2026, our momentum continues to grow. Planning is already underway, with a major focus on our Grandstand Revitalization Project. While we have made meaningful progress, we are still actively raising funds to ensure this historic space remains safe, accessible, and ready for the next generation of fairgoers.

Every sponsorship, donation, and volunteer hour plays a direct role in shaping the future of our fair. Your support helps us celebrate agriculture, showcase local businesses, and create a space where our community can come together year after year.

We invite you to be part of this continued success. Whether through sponsorship, volunteering, or contributing to the Grandstand Fund, your involvement truly makes a difference.

Thank you for your ongoing support. Together, let us make 2026 our best year yet.

Warm regards,

**Hanna van Moorsel**

President

Chesterville and District Agricultural Society
